

# B\_t2\_Q21L\_VS\_B\_t2\_Q21V\_L

Termes GO

ADP-ribose diphosphatase activity  
O-acyltransferase activity  
microfilament motor activity  
sodium:proton antiporter activity  
non-membrane spanning protein tyrosine p...  
ATP hydrolysis activity  
protein binding  
translation initiation factor activity  
chloride channel activity  
transcription coactivator activity  
histone acetyltransferase activity  
proline-tRNA ligase activity
